SERIAL NO.: 09/645,861

Page 4:

Line 7, change "xx/xxx,xxx" to --09/644,667--.

REMARKS

The specification has been amended to correctly reference commonly assigned copending U.S. Appln. Ser. No. 09/644,667, filed on the same day, August 24, 2000, as the present application. No new matter has been added.

CONCLUSION

Applicant respectfully submits that the present application, as amended, is in condition for allowance. Early consideration of the present application and an early Notice of Allowance are earnestly solicited.

Date: October 3, 2000
